

SUPPLIER RESEARCH REPORT

Decision Brief

Sustainable food-contact packaging supplier comparison

REPORT ID

GSR-SAMPLE-001

PREPARED FOR

Illustrative Buyer

ISSUED

August 21, 2026

EXECUTIVE SUMMARY

ILLUSTRATIVE SAMPLE - Four supplier candidates were compared for molded-fiber food packaging based on stated product fit, minimum order, indicative pricing, available certification evidence, and open diligence questions. All company names and commercial details in this sample are fictional.

DECISION SNAPSHOT

SUPPLIERS INCLUDED

4

Evidence-backed candidates

HIGHEST MATCH

92/100

Fit against stated needs

RISK SIGNAL

Review

Diligence required

RECOMMENDATION

Advance Evergreen Packaging Works and BlueHarbor Fiber Products to a structured quotation and sample round. Evergreen shows the strongest overall fit, while BlueHarbor presents a useful alternative with a lower current risk signal. Do not make a purchase decision until certifications, samples, production capacity, ownership, and final terms are verified directly.

SUPPLIER EVALUATION

4 candidates included in this decision brief. Match scores summarize stated fit; they do not replace direct verification.

CANDIDATE 1

Evergreen Packaging Works

China

92

MATCH

REVIEW NEEDED

PRICE / QUOTE

\$0.18 per unit - illustrative

MINIMUM ORDER

20,000 units

MATCH

REVIEW NEEDED**PRICE / QUOTE****\$0.32 per unit - illustrative****MINIMUM ORDER****8,000 units****CERTIFICATIONS**

Documentation incomplete in this sample; verify materials, tests, and production capability.

RECOMMENDED NEXT STEPS

Send the same written specification and RFQ to the two leading candidates; request current quotations, lead times, samples, material declarations, test reports, and certification files; verify documents with issuing bodies; compare landed cost and payment terms; then document the final selection decision.

BUYER DILIGENCE NOTE

This report is independent research based on available public and customer-provided information. Confirm current pricing, samples, certifications, production capability, ownership, commercial terms, and supplier claims directly before committing funds or placing an order.
